Re: Docket No. 04-00229: Petition of WorldxChange Corp. for Authority to Change its Name to Acceris Communications Corp.

Dear Mr Steinhart:

The Tennessee Regulatory Authority received the above referenced petition on July 24, 2004. At that time, the petition did not include all necessary documentation to evaluate the request for name change. In order to process your request, the Authority requires responses to the questions below. Please provide the response no later than February 14, 2005

1. Our records indicate that a name change was approved on December 2, 2003 in Docket No. 03-00123 for WorldxChange Corp. to adopt Acceris Communications Partners and Acceris Communications Solutions as D/B/A names. Please provide an amended petition reflecting the name change granted in Docket No. 03-00123.
2. Please provide a copy of your registration letter from the Secretary of State's office with the new name.
3. Provide the number of customers you currently have in the State of Tennessee? Please provide a copy of a customer notification letter provided to your customers of this new name change.

Please submit the response along with thirteen copies to:

Ms. Sharla Dillon, Docket Room Manager
460 James Robertson Parkway
Nashville, Tennessee 37243-0505

If you have any further questions or concerns, please contact Betty Bailey at 741-2904, ext. 134.
